Introduction to the Bachelor's Program in International Chinese Language Education for International Students at Zhengzhou University of Light Industry

The Department of International Chinese Language Education in the School of Foreign Languages has been enrolling students since 2007 and is a first-class professional construction site in Henan Province. This program aims to cultivate talents who possess a systematic knowledge of the Chinese language and solid Chinese language communication skills, understand Chinese culture, are familiar with China's national conditions, and are capable of proficiently using Chinese for relevant language and text work as well as academic research methods. Graduates will be able to engage in Chinese language teaching and cultural exchange and dissemination work.

Language Requirements: HSK Level 4 with a score of 180 or above. Students who do not meet the score requirements may apply for our university's preparatory program to study Chinese. After successful completion and achieving an HSK Level 4 score of 180 or above, they may apply to enter the International Chinese Language Education program in September of the same year.

Duration: 4 years.

Core Courses: Comprehensive Chinese, Chinese Listening, Chinese Speaking, Chinese Reading, Chinese Writing, Modern Chinese, Classical Chinese, Introduction to Linguistics, Teaching Methods for Chinese as a Foreign Language, Introduction to Chinese Culture, Ancient Chinese Literature, Modern and Contemporary Chinese Literature, etc.
